ty I owe to suffering humanity to acknowledge my grateful thanks for the wonderful effects of your "Compound Fyrup of Wild Cherry' on me, after having suffered months after months with the most afflicting of all discases, Consumption, with scarcely a ray of hope, or a beacon light to guard me against my own horrible forebodings. The circumstances which first led to the awful state of debility, was from taking a heavy "cold," which seemed to itx itself upon the lungs, which gradually grew worse, with profuse night sweats, a backing cough, oppression in the breast, spitting blood, with great general debility. My constitution seemed broken down, and nervous system very much impaired, with Philadelphia, and was treated there by physicians of the highest respectability, but still grew worse, until they gave me up as incurable, and advised me to go South out being very poor after loosing so much time from my work, and having spent all my money on the various "Patent Medicines," which were recommended so highly through the medium of the press, I was unable to take their advice. Being a member of the Order of Odd Fellows, they supplied me with money gratuitously to send me to my friends in Saco, Maine. I was treated by physicians of the highest standing there but received no benefit whatever from them, but gradually grew worse, until my physician and myself gave up all hopes of my vering, and I felt like one who is about to pass through the valley of the shadow of death. At this "awful juncture," I heard of your "Compound Syrup of Wild Cherry," and knowing you to be a regular practising physician in Philadelphia, gave me more confidence in the medicine, so I concluded, as a last resort, to make a feel satisfied, from its salutary effects in my own case, privilege of attending gratis. that Dr. Swayne's Compound Syrup of Wild Cherry will cure any case of diseased Lungs, if taken according to the prescribed rules contained in the pamphlets accompanying the medicines. Even the physicians who witnessed my case are highly recommending it in similar cases—and I wish you to make this public, so that others who are suffering as I have been, may know where to procure a remedy at first, which will reach their disease, rithout tampering with and ruining their constitutions with the many "quack nostrums" with which the whole country is flooded; prepared by persons who have no knowledge of the science of medicine in theory or prac I am a Scarlet Member of the Hope Lodge of I. To Dr. H. Swayne, N. W. corner of Eight and Racest, CAUTION .- The public should be on their guard against the many "Balsams" and "Mixtures" of Wild Cherry, which have sprung pointal parts of the country, purporting to be prepared by physicians, all of which will be found to be "false," by a little inquiry in the towns and cities where they originate. All certificates and statements in regard to Dr. Swayne's Compound Syrup of Wild Cherry are "strictly true," and the proprietor is daily receiving them from persons who have been cured by the celebrated remedy.
